AB/C CLEAN CAMPUS CHECKS:

It's time again for Angelina Beautiful/Clean Clean Campus Award! AB/C staff and board members will be judging all **Private, Primary and Elementary School Campuses** in Angelina County. We will be looking for visible litter on campus as well as environmental projects or "litter patrol" programs on campus. The winning clean campus school will receive a sign they can proudly place in front of their clean campus. The winning school will also receive prize money for their hard work. We have scheduled the judging for the week of February 13th. Thank you and Good Luck!

Don't Forget to Book Your Field Trip...

Your campus can visit the City of Lufkin Recycling Center and the Angelina County Landfill. Teachers call it "the best field trip in town" to book contact Amanda at 632-5326 or email aanderson@lufkintexas.org

Arbor Day Tree Seedling Give-a-Way

Campbell Timberland Management, Angelina Beautiful/Clean and the Texas Forest Service will give away *over 15,000 hardwood tree seedlings* at the Lufkin Mall parking lot on **Thursday February 2nd** from 9:00 a.m. to noon.

*You can order your trees and pick them up at the Chamber after school.

How's Your Recycling Bin?

"PASS THE BAG"
10TH, 11TH, & 12TH GRADES

"Pass the Bag" is accomplished by passing garbage sacks down the rows of the bleachers at a sporting event. A student group gathers the bags at the end of the row and disposes of the trash. Look for your chance to "Pass the Bag" at the big game!

8th Grade Adopt-a-Spot
Calling all 8th Graders! Pick a spot on your campus and work together to keep it clean. Once a month check to make sure "your" spot is litter free. Think of ways to reduce litter on your campus. We can all do our part to keep Angelina County beautiful one "spot" at a time. Be sure to take pictures of your group cleaning their spot.

The Teachers Warehouse is a place where office items that are no longer needed can be stored and teachers can "shop" for items for their classrooms and students. It's **free** to teachers, and the items are reused instead of being sent to the landfill.
