AB/C CLEAN CAMPUS CHECKS

It's time again for Angelina Beautiful/Clean Clean Campus Award! AB/C staff and board members will be judging all **High School Campuses** in Angelina County. We will be looking for visible litter on campus as well as environmental projects or "litter patrol" programs on campus. The winning clean campus school will receive a sign they can proudly place in front of their clean campus. The winning school will also receive prize money for their hard work. We have scheduled the judging for the week of October 19th. I will contact all High School Campuses via e-mail.

Thank you and Good Luck!

Keep America Beautiful Activity/Coloring Books for 1st Grade
Angelina Beautiful/Clean has passed out Keep America Beautiful Activity/Coloring Books to all 1st graders in Angelina County. The books have minimal reading and teach students the importance of NOT being a "litter bug". This activity is sure to be enjoyable and educating for our Angelina County 1st graders.

"Litter Bugs Me" Bracelets 3rd GRADE

Angelina County schools are again receiving "Litter Bugs Me" Bracelets to show friends they are not litter bugs.

"PASS THE BAG" 10TH, 11TH, & 12TH GRADES

This exciting High School project was once again a huge success for Lufkin High School. The LHS Student Council completed the "Pass the Bag" project. Other schools are looking forward to "Pass the Bag" at basketball and baseball games. This project focuses on litter awareness and litter prevention. "Pass the Bag" is accomplished by passing garbage sacks down the rows of the bleachers at a sporting event. A student group gathers the bags at the end of the row and disposes of the trash. Look for your chance to "Pass the Bag" at the big game!

angelinabeautifulclean.org

Check out our website! A copy of the "Trash Talk" newsletter will also be sent via email. Please distribute the newsletter to all the teachers on your campus by email or paper copy! Hopefully less paper!

2009 6th Grade Forest Awareness Tour

Angelina County 6th graders will participate in the Forest Awareness Tour presented by Angelina Beautiful/Clean and the Texas Forest Service. This year's tour will give students the opportunity to learn and practice Fly-Fishing techniques, learn the dangers of forest fires and students were able to see first hand how to test water for water quality studies. The students will discover East Texas forestry history while sitting beneath the tall trees of the Texas Forestry Services' 190 acres. The 6th graders also learn about wildlife and forest pests of East Texas.

September Projects

1st Grade Coloring Books
