"PASS THE BAG"

10TH, 11TH, & 12TH GRADES

"Pass the Bag" is accomplished by
passing garbage sacks down the rows
of the bleachers at a sporting event. A
student group gathers the bags at the
end of the row and disposes of the
trash. Look for your chance to "Pass the
Bag" at the big game!

8th Grade Adopt-a-Spot

Calling all 8th Graders! Pick a spot on your campus and work together to keep it clean. Once a month check to make sure “your” spot is litter free. Think of ways to reduce litter on your campus. We can all do our part to keep Angelina County beautiful one “spot” at a time. Be sure to take pictures of your group cleaning their spot.

9th Grade Litter Law Books

This informative little booklet gives these “almost drivers” all the information they need on the local and state litter laws. “Clean is in your hand, DON'T DROP IT!” is once again the slogan we will use. The books contain useful information on local ordinances on Litter, Unsightly Conditions, Hazardous Trees or Shrubs, Sign Regulations, Weeded Lots, Abandoned or Junk Cars, and Dilapidated Structures. The booklet also includes information on local waste haulers, how to report illegal dumping, and a map to help locate the Angelina County Waste Management Center and the Regional Recycling Center. Take the time to study and look over this handy handout.

Kindergarten Smokey Bear

Students will create their own Smokey Bear to remind them the importance of taking care of our forests. Teachers can use the Smokey Bear poster as a teaching tool while the students color and glue Smokey Bear to a paper sack creating a puppet.
