5th Grade Arbor Day Poster Contest

In this activity, students will learn how a diversity of trees contributes to a healthy environment. Different tree species have different shapes, sizes, and environmental requirements that make each one suited to a different place in our community.

By creating their own community forest map, students will gain a better understanding of the functions of trees, and how tree diversity leads to wildlife diversity and a more attractive environment.

Students will have from December 1, 2011 to January 13, 2012 to collect as many cards as possible for the Christmas Card Recycling Contest. The cards must be counted by the class and turned in to the Chamber of Commerce, 1615 S. Chestnut, no later than 5:00 pm on Friday, January 13, 2012. "PASS THE BAG"

10TH, 11TH, & 12TH GRADES

"Pass the Bag" is accomplished by passing garbage sacks down the rows of the bleachers at a sporting event. A student group gathers the bags at the end of the row and disposes of the trash. Look for your chance to "Pass the Bag" at the big game!

8th Grade Adopt-a-Spot

Calling all 8th Graders! Pick a spot on your campus and work together to keep it clean. Once a month check to make sure "your" spot is litter free. Think of ways to reduce litter on your campus. We can all do our part to keep Angelina County beautiful one "spot" at a time. Be sure to take pictures of your group cleaning their spot.

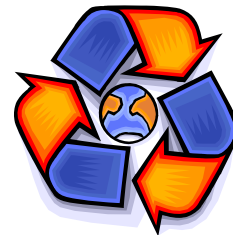

Presented By:

The Teachers Warehouse is a place where office items that are no longer needed can be stored and teachers can "shop" for items for their classrooms and students. It's **free** to teachers, and the items are reused instead of being sent to the landfill.
