How's Your Recycling Bin?

4th Graders are in the MOOD to RECYCLE!

Angelina County 4th graders are showing pride by using their "Mood Recycling Pencils".

"PASS THE BAG"
10TH, 11TH, & 12TH GRADES

"Pass the Bag" is accomplished by passing garbage sacks down the rows of the bleachers at a sporting event. A student group gathers the bags at the end of the row and disposes of the trash. Look for your chance to "Pass the Bag" at the big game!

Presented By:

The Teachers Warehouse is a place where office items that are no longer needed can be stored and teachers can "shop" for items for their classrooms and students. It's **free** to teachers, and the items are reused instead of being sent to the landfill.

8th Grade Adopt-a-Spot

Calling all 8th Graders! Pick a spot on your campus and work together to keep it clean. Once a month check to make sure "your" spot is litter free. Think of ways to reduce litter on your campus. We can all do our part to keep Angelina County beautiful one "spot" at a time. Be sure to take pictures of your group cleaning their spot.
