AB/C CLEAN CAMPUS CHECKS:

It's time again for Angelina Beautiful/Clean Clean Campus Award! AB/C staff and board members will be judging all **Private, Primary and Elementary School Campuses** in Angelina County. We will be looking for visible litter on campus as well as environmental projects or "litter patrol" programs on campus. The winning clean campus school will receive a sign they can proudly place in front of their clean campus. The winning school will also receive prize money for their hard work. We have scheduled the judging for the week of October 15th. Thank you and Good Luck!

The Teachers Warehouse is a place where office items that are no longer needed can be stored and teachers can "shop" for items for their classrooms and students. It's **free** to teachers, and the items are reused instead of being sent to the landfill.

Thank you to CMC Recycling for sponsoring the 2012/2013 school year!
Visit CMC on 59 North for all your aluminum and scrap metal recycling.

"PASS THE BAG"

10TH, 11TH, & 12TH GRADES

"Pass the Bag" is accomplished by passing garbage sacks down the rows of the bleachers at a sporting event. A student group gathers the bags at the end of the row and disposes of the trash. Look for your chance to "Pass the Bag" at the big game!
